I.

Subject matter

1. The Licensor is the exclusive executor of the property rights of the author(s) to the on-board Forward Error Correction type software and related software for ground radio stations (hereinafter the „Software“), and has the right to grant a license to the Software. This agreement is intended to provide user rights to the Licensee for following items:

- A) License for Cubesat Space Protocol interface software blocks optimized for soft system-on-a-chip architectures and real-time operating systems such as FreeRTOS.
- B) License for ground-based image assembly software for retrieving LUVCam images in standardized (FITS) format.
- C) Documentation of data flow management in the various LUVCam subsystems (FPGA DAQ, onboard computer, telemetry and ground segment).

II.

License

1. The Licensor grants to the Licensee a non-exclusive authorisation to exercise the rights to use each of the above-mentioned Software (hereinafter the "Licenses") in its original, adapted or otherwise altered form at the time of the conclusion of the Agreement, for the duration of operation of GRBBeta nanosatellite.

The individual pieces of Software will be delivered in the electronic form to the address specified no later than 25. 8. 2025. The Licenses are granted for the period from the delivery of the software to the end of operation of above-mentioned satellites.

2. Except for the right to use the Software under the conditions set forth in this Agreement, no other rights are granted to the Licensee. In particular, the Licensee acknowledges that all rights to the Software and accessories, including but not limited to accompanying documentation, remain with the Licensor.

3. The Licensee may conclude one or more sublicense agreements for the Software with the project partner. A sub-license may only be granted in part, to the extent necessary for the operation of the above-mentioned satellites. The sublicense may not include the right to distribute any piece of the Software mentioned in sect. I.1 or the right to use the Software by a third party.

4. Person responsible for the delivery of licensed Software is [REDACTED]

Contact person of the Licensee is [REDACTED]

III.

Price and payment conditions

1. Individual licenses given in sect. I.1 above are priced accordingly:

item A).....1100 EUR

item B).....1100 EUR

item C).....800 EUR

Prices do not include VAT.

2. The invoice for the total amount of 3000 EUR (increased by the VAT) will be issued after delivery of the Software and will meet the requirements of a tax document according to the VAT Act. The parties agrees, that invoice is due for payment within fourteen days after its receipt.

IV.

Other covenants

1. For the smooth exercise of the right under the Licenses, communication and cooperation between the Licensor and the Licensee is necessary. Both Parties shall use reasonable efforts and endeavors, to arrange and resolve all matters necessary for the proper performance of the purpose of this Agreement.

The Parties shall communicate to each other the contact persons who will deal with matters relating to the performance of this Agreement.

2. All the information obtained during negotiations and performance of work are confidential under Art. 1730, paragraph. 2 of the Civil Code of the Czech Republic. The entire legal relationship, as well as the rights and obligations of both parties, which are related to it, are governed by the law of the Czech Republic.

3. This Agreement shall be exclusively governed by and construed in accordance with the laws of the Czech Republic. All disputes arising out of or related to this agreement shall be settled in the first instance by the City Court in Brno.

3. The Parties acknowledge that this Agreement is subject to the obligation of publication through the Register of Contracts (hereinafter also referred to as the "Register of Contracts"), in accordance with Section 2(1)(e) of Act No. 340/2015 Coll., on Special Conditions of Effectiveness of Certain Contracts, Publication of Such Contracts and on the Register of Contracts (Act on the Register of Contracts), as amended (hereinafter also referred to as the "CRC"). Publication of this Agreement shall be ensured by the Licensee. The agreement shall be published in full in this way.

4. This Agreement may be amended only by written agreement of the parties in the form of appendix.
