CEO Message

Since our foundation, we have supported the loan markets with a focus on enhancing liquidity, transparency, and sustainability. Today, with 880+ members in 69 jurisdictions, we represent an ever-growing diversity of participants in international capital markets, including institutional investors, private and public sector issuers, banks, non-banks, technology solution platforms and market infrastructure providers, spanning the UK, US, EMEA, and Africa.

Through member representation on the LMA's various institutional committees and working groups, we actively engage with our members to ensure their voices are heard. Their input and guidance help shape the future of the loan markets and these groups drive the delivery of positive outcomes.

Today, our activities are busier than ever, with a rapidly growing range of services offered to members. This includes an expanded library of documents, LMA Academy and training offerings, LMA Player and on-demand podcasts and webinars, increased focus on ESG and sustainability initiatives, and operational enhancements aimed at reducing settlement times. We're also proud to launch our intuitive documentation portal, which will feature advanced search capabilities and complimentary access to an exclusive member version of LMA Automate.

Our goal remains to ensure the loan product retains its place as a critical financing tool.
