Předmět: Confirmation of your Kalmus.com Order #72462

Thank you very much for your order. You will find below the invoice covering this sale. Please make note of the contents and shipping details, and contact us immediately if you notice any errors. If you do need to make any corrections or wish to contact us for any reason, you may do so by simply replying to this message.

You may check the status of your order online by following the link which appears below the invoice. In most cases, you should also be able to track the progress of your packages via that same page.

We hope that you won't hesitate to email us if you have any questions, or if we can be of further assistance in any way. Please bear in mind that, aside from the thousands of titles in the Kalmus catalog per se, we also distribute the publications of several of the major European and American houses (Bärenreiter, Breitkopf, Leduc, Schott, Universal, Doblinger, Boosey, Haydn-Mozart Presse, Hal Leonard, Alfred, Schirmer, International, Southern, etc.) at very competitive prices, and can supply virtually any title in print from any publisher. As a result, we serve as the primary suppliers of printed music for a large number of ensembles, conductors, and institutions around the world. Since some of those items are unfortunately not yet included in our online database, we would encourage you to email us for a quote on any publications you may require, even if you have not been able to locate them on our web site.
