– hereinafter referred to as "**Takeda**" –

Preamble

The contractual parties have signed a testing contract on 02.07.2020 resp. 16.07.2020, effective date 16.07.2020 and valid until 31.12.2022. An amendment no. 1 (testing, price adaptation and prolongation 2023) came into force as of 01.01.2023, an amendment no. 2 (data processing) came into force as of 01.06.2022, an amendment no. 3 (testing, price adaptation and prolongation 2024) came into force as of 01.01.2024, an amendment no. 4 (Annex 1 prices adapted and prolongation until 30.09.2025) came into force as of 01.01.2025 and an amendment no. 5 (prolongation until 31.01.2026) came into force as 01.09.2025.

With this Amendment No. 6 the term of this contract will be extended at least until 30.06.2026. A monthly prolongation (up to three months) would be announced with two months notification period (by email).

Entry into force

This Contract Amendment no. 6 will become effective on 01.02.2026.

All other provisions of the contract remain unaffected and in full force.
