

**SECOND AMENDMENT TO THE
TAIR SUBSCRIPTION AGREEMENT
BETWEEN
INSTITUTE OF EXPERIMENTAL BOTANY AS CR, V.V.I. (“Institution”)
AND PHOENIX BIOINFORMATICS CORPORATION (“Phoenix”)
EFFECTIVE MARCH 7, 2016 (“Agreement”)**

Whereas:

The term of the Agreement will expire on **February 29, 2020**. Phoenix and Institution (collectively, the “Parties”) would like to extend the term of the Agreement for three years, as set forth below.

The Parties hereby agree to amend the Agreement as follows:

1. Section 7.1 is deleted in its entirety and replaced with the following language:
“This Agreement will remain in place from the Effective Date until **February 28, 2023**, unless otherwise extended or renewed by both parties in writing.”
2. The first sentence of Appendix A is deleted and is replaced with the following language:
Licensee has paid a subscription fee of **US\$595.00** for the first one-year term of the agreement;
Licensee has paid a subscription fee of **US\$1,875.00** for the first three-year term of the agreement;
Licensee will pay a subscription fee of **US\$2,100.00** for the subscription period beginning **March 1, 2017** and ending **February 28, 2023**.

This **second** amendment to the Agreement is effective as of the date last signed below. All other terms and conditions of the Agreement shall remain the same.

AGREED TO AND ACCEPTED BY:

**Institute Of Experimental Botany
AS CR, v.v.i.**

Phoenix Bioinformatics Corporation
