I

GRANT OF RIGHTS:

Subject to the Special Conditions of the attached "Schedule" which is by this reference deemed incorporated in its entirety into this Agreement and the General Conditions hereinafter set forth and timely payment of the License Fee set out in the Schedule Licensor grants to Licensee and Licensee accepts the exclusive "television transmission rights" (as defined in II.1) to the "Program" for the License Period, the number of runs, the License Territory, and further stipulations indicated in the Schedule. "Program" as used herein shall mean the total of programs prescribed in the Schedule whether a single motion picture or a series of pictures is concerned.

II

GENERAL CONDITIONS

1. DEFINITION OF RIGHTS GRANTED

1.1 The Free Television transmission rights ("Free-TV rights") shall mean the exclusive right to transmit the Program in such version(s) and by such transmission methods as set forth in the Schedule whereby the following definitions shall be applicable:

- a) "Terrestrial Free-TV rights" shall mean the right to transmit unencrypted television signals carrying the Program by means of over-the-air VHF or

UHF transmissions intended for and capable of reception by the public on a television receiver only in the Territory as defined in the Schedule.

- b) "Cable Free-TV rights" shall mean the right to transmit unencrypted television signals carrying the Program by means of any cable system used for television transmissions intended for and capable of reception by the public on a television receiver only in the Territory as defined in the Schedule.
- c) "Encrypted satellite-to-cable Free-TV rights" shall mean the right to transmit encrypted satellite television signals carrying the Program for decryption by cable operating services by means of any supplemental technical devices for unencrypted cable retransmission intended for and capable of reception by the public on a television receiver only in the License Territory as defined in the Schedule.
- d) "Encrypted direct-to-home satellite Free-TV rights" shall mean the right to transmit encrypted satellite television signals carrying the Program for direct decryption in private homes by means of any supplemental technical devices distributed only to viewers in the License Territory as defined in the Schedule.

Regarding the transmission methods under c) and d) it is explicitly excluded and any failure to comply shall be deemed a material breach of this Agreement to make available or permit to make available any devices capable of decryption of the satellite signals carrying the Program outside the Territory as defined in the Schedule.

- e) "Unencrypted satellite Free-TV rights" shall mean the right to transmit television signals carrying the Program in such dubbed language version(s) as set forth in the Schedule to a geostationary satellite whose broadcast reception area ("footprint") is located substantially within the Territory as defined in the Schedule intended for and capable of reception by the public on a television receiver only in said Territory. Any satellite broadcasts made or permitted by Licensee capable of reception by the public in territories other than those defined in the Schedule or parts thereof but intended for reception by the public in such territories shall be deemed a material breach of this Agreement and entitle Licensor to immediate termination hereof. For the purpose of this Agreement a satellite broadcast capable of reception by the public outside the Territory defined in the Schedule shall be deemed intended for reception by the public in such territories and therefore be unauthorized if
 - (i) the Program signals to be received carry or also carry language versions other than the licensed dubbed language version(s), or
 - (ii) the Program is interrupted by advertising spots promoting goods or services available in said territory in consideration of which Exhibitor realizes any proceeds, or
 - (iii) the Program signals are retransmitted by a cable or microwave system in said territory for reception by the public. However, the simultaneous relay of any broadcast of the Program outside the License Territory which is under the authority of international agreements and/or for which a system for making copyright

payments to copyright holders through a collection agency exists shall not be in breach of this Agreement. Any proceeds collected by such agencies are payable to Licensor.

Licensee shall within 7 days after each transmission send to Licensor a statement setting forth the date, the day and hour, and the place of emanation of each telecast of the Program.

1.2 The advertising right,

i.e. the right to telecast excerpts from the Program for the purpose of program announcement and its broadcasting, excerpts being limited to the following maximum length:

- 3' excerpts per 90' title or longer,
- 2' excerpts per one com. hour title
- and 1' excerpts per half com. hour title.

This includes the right to promote the Program in printed publications customary in the trade.

Further the Licensee is authorized to include crawling announcement messages during the broadcast of the Program.

1.3 The rights granted herewith do not include e.g.:

- a) the right to transmit the Program by means of other television transmissions systems than expressly granted in the Schedule, especially interactive television systems;
- b) viewing on demand (television/video-on-demand) including online services;

1.4 All these rights and all other rights not expressly granted to Licensee under this contract (including but not limited to all video rights, the theatrical and non-theatrical rights,) are retained by the Licensor.

2. MATERIAL

2.1 As soon as possible following the complete execution of this Agreement, if not otherwise indicated in the Schedule, Licensor shall deliver to Licensee at Licensee's expense the materials of the Program as described in the Schedule.

All costs of delivery of the material such as (but not limited to) transportation costs, handling charges, import duties, insurance fees and custom charges shall be paid by Licensee.

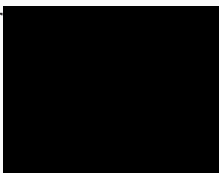

Licensee will be responsible for all defects, losses and damages which might occur to all prints/tapes/masters and other materials on route to and from Licensee and while same are in Licensee's possession, and Licensee will take out customary insurance which covers the said responsibility of Licensee.

- 2.2 Following receipt by Licensee of the material Licensee shall examine same to determine if it is physically suitable for exploitation according to this Agreement. If within 30 days of receipt thereof Licensee has not given written notice to Licensor of any defects, the material shall be deemed accepted. If Licensee does give such notice, Licensor shall upon mutual agreement with Licensee either i) remedy such default or ii) submit to Licensee a substitute program or iii) delete the Program from this Agreement and reimburse Licensee any payments made with respect to the deleted program. All other rights and remedies Licensee may have under this Agreement, law or equity are hereby excluded.
- 2.3 The delivered material shall at all times remain the property of Licensor and Licensor shall also be entitled to the property rights in any prints/tapes/masters and other material of the Program produced by Licensee. Licensee shall not give third parties access to any material unless necessary for the exploitation according to this Agreement.
- 2.4 Upon expiration of the rights hereby granted Licensee shall at its own cost and at Licensor's choice either (i) deliver to Licensor or to another address given by Licensor all prints/tapes/masters and other material supplied by Licensor and/or produced by Licensee, or (ii) destroy the same and send to Licensor a certificate of such destruction, unless otherwise provided for in this Agreement.

3. COMPENSATION

- 3.1 In consideration of the rights granted to Licensee herein Licensee shall pay to Licensor the respective sums stipulated in the Schedule.
- 3.2 There shall be no deductions whatsoever from any payments made to Licensor under this Agreement on account of bank charges, withholding or remittance taxes, conversion taxes or for any other reason, it being the intent hereof that the License Fee payable to Licensor under this Agreement shall be a net amount, free and clear of any tax, levy or charge whatsoever.

4. ADAPTATION AND LANGUAGE VERSION

- 4.1 Licensee shall exploit the Program in its entirety in the form delivered by Licensor and shall not change the title of the Program (with the exception of direct translation), cut, edit, excerpt, add to, delete from, and/or otherwise change the Program (including credits) or its physical shape or format or the masters etc. other than expressly allowed under the present Agreement, and Licensee shall not include any other motion pictures in whole or in part or other material without Licensor's prior written consent which may not be unreasonably withheld, in case of censorship requirements provided that Licensee submits to Licensor the applicable regulations and laws.
- 4.2 Different from sec. 4.1 Licensee shall have the right to insert or authorize the insertion of commercial announcement material during breaks in the broadcast of the Program.
- 4.3 Unless otherwise set forth in the Schedule, the television transmission rights granted to Licensee herein are limited to the dubbed/subtitled/voice-over
- 

version(s) (as specified in the Schedule) of the Program ("foreign language version") to be produced by Licensee at its own costs and expense, whereby it is agreed as follows:

- (a) Licensee undertakes to produce a foreign language version of excellent quality that will meet the technical requirements of the television stations in the Territory.
- (b) Licensee shall not alter, add to or delete the music (including any songs) accompanying the Program in the course of making any foreign language version.
- (c) All rights of exhibition, distribution, marketing, economic use, translation and adaptation in and to such foreign language version made by Licensee shall vest in the Licensor upon creation thereof without any limitations as to content, time and place, subject only to the right of Licensee to use such version to the extent provided herein, and Licensee will make its agreements with all persons connected with such dubbing, subtitling or voice-over or parts thereof in such manner that any rights such persons may possess are assigned and transferred to Licensor and fully paid for, so that Licensor may make free and unencumbered use of such version in any media, anywhere and at any time without obligation of any payment to any party, subject only to Licensee's limited license stipulated herein.
- (d) Licensor shall have free access to any foreign language version immediately upon production thereof.

5. WARRANTIES – COLLECTING SOCIETIES / GRAND DROITS

5.1 Licensor represents and warrants to Licensee that:

- a) it has the full right, power and authority to enter into and to perform this Agreement and has not entered into any agreement of any kind which may interfere with the performance of this Agreement;
- b) it owns and controls the sole and exclusive right to exploit the Program within the License Territory for the full License Period of this Agreement and has the right to grant the license hereunder;

However, the rights herewith granted do not cover the permission of copyright collecting societies and of the Grand Rights for dramatic performance and/or dramatico-musical work, if such permission must be obtained for the exploitation of the Program under this Agreement in the License Territory. It is Licensee's sole responsibility to negotiate with the collecting societies and the holder of the Grand Rights to pay any and all royalties due them.

5.2 Licensee represents and warrants to Licensor that:

- a) it will only exploit the television transmission rights to the Program as defined in this Agreement.

- b) it will immediately upon knowledge or suspicion of any unauthorized exploitation of the Program in the Territory (piracy) inform Licensor thereof, and it will, in consultation with Licensor and/or at Licensor's request, take such measures and institute such legal action as may be necessary to prevent and/or pursue such piracy.

5.3 Should it turn out that rights and/or (faultless) materials under this Agreement are not available in whole or in part and in the event that Licensee thereby be impeded in the exploitation intended in this Agreement, Licensor shall with regard to the title concerned at its absolute discretion either provide Licensee with an equivalent replacement (e.g. substitute program, if available; extension of the license period, if possible, by a period of time equal in length to that during which Licensee was impeded etc.), or appropriately reduce the License Fee, or terminate this Agreement with the consequence that those rights not yet exercised as well as the material delivered and produced by Licensee be returned and the License Fee which was already rendered be reimbursed in full respectively in the adequate amount in consideration of the rights already exercised. All other rights and remedies Licensee may have under this Agreement, law or equity are excluded.

6. BREACH OF THE AGREEMENT

6.1 In the event of Licensee's failure to make punctual payment according to this Agreement and, if such failure has not been rectified within 15 days after the date which the Licensor provided Licensee with written notice of such as required herein, all outstanding monies owed by Licensee shall become immediately due and payable to Licensor. As a penalty mutually agreed upon, all overdue monies shall bear interest calculated at the rate of five percent (5 %) per annum over and above the German discount rate applicable on the date such monies are due.

6.2 In addition to sec. 6.1 and to any other rights and remedies at law and equity Licensor may, by giving written notice to Licensee terminate this Agreement and the license granted hereunder, if:

- a) Licensee has failed to make payments punctually as required under this Agreement or has committed another breach of its obligations under this Agreement, unless such breach has been cured within 15 days upon Licensor's respective written notice, or
- b) Licensee goes into voluntary or involuntary liquidation, or is declared insolvent either in bankruptcy or other legal proceedings (whereby it is understood that Licensor may terminate upon opening of any such proceeding), or an agreement with creditors has been negotiated or reached by Licensee due to its failure or inability to pay its debts as they fall due, or a receiver is appointed over the whole or part of Licensee's business, or Licensee actually discontinues its business. Upon occurrence of anyone of these events this Agreement shall automatically terminate without Licensor's declaration if and as far as legally possible.

6.3 In the case of any such termination according to sec. 6.2 all rights granted to Licensee under this Agreement shall automatically revert to Licensor, and all monies paid to Licensor by Licensee shall remain Licensor's property. Licensee

shall be liable for all damages Licensor may suffer for reason of the termination of this Agreement.

Any material in Licensee's possession shall be delivered to Licensor not later than one (1) week after the termination as herein provided.

- 6.4. Licensee shall be entitled to terminate this Agreement by written notice to Licensor if Licensor fails to provide Licensee with materials or substitute materials including all requirements pursuant to this Agreement within deadlines given in this Agreement. In case of termination of this Agreement by Licensee due to the reasons given in this section Licensor shall refund the already paid License Fee to Licensee.
- 6.5. Each party shall be entitled to terminate this Agreement by written notice to the other party if the other party shall have committed any substantial breach of contractual obligations and shall have failed to remedy the same within 30 (thirty) days of receiving a written notice specifying the breach and requiring its remedy.

7. MISCELLANEOUS

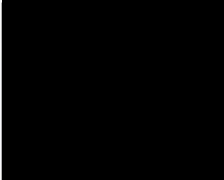

- 7.1 Licensee may not assign and/or sublicense this Agreement or any of the rights contained herein in whole or in part to any third person without the prior written consent of Licensor.
