3. Partnership

Throughout the entire project implementation process, a strong partnership between the applicant organisation and the partner organisation is ensured. The applicant organisation communicates with all partners involved in the project regarding all necessary measures, particularly with regard to preparation and financial management. The applicant organisation distributes the received financial resources in accordance with this agreement.

The applicant organisation will be responsible for:

- overall project administration,
- distribution of funds to the partner organisation for individual activities,
- cooperation with the partner organisation.

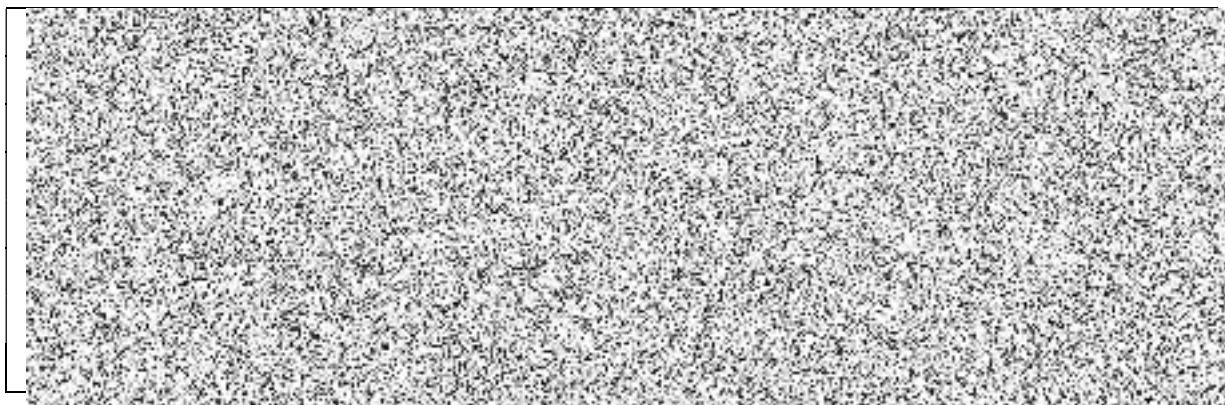

The partner organisation will be responsible for:

- preparation of participants,
- communication with participants,
- support of participants throughout the entire duration of the project,
- cooperation with the applicant organisation,
- participation in dissemination and evaluation activities.

4. Division of the grant between applicant and partner organization

The applicant organisation will transfer to the partner organisation, after the completion of the activity, the financial contribution for travel costs at the applicable unit rates, in the estimated amount of 9 × EUR 285 (green travel) and 1 × EUR 211, amounting in total to EUR 2,776.

The partner organisation shall retain the original travel documents of individual participants for verification and audit purposes.
