

NONWOVENN

THE HOME OF INSPIRED THINKING

Date: 5th March 2026

Dear Sirs,

We hereby order you to proceed with testing for the following.

Determination of the influence of different washing procedures on the sorption properties and textural behaviours of activated carbon fabrics supplied by Nonwovenn according to the quote received on the 20th December 2025. The results will be provided in the form of Test Reports and Technical Reports.

We would expect the completion date to be around the 31th Mar 2026.

The indicated cost will be: CZK 292,000 excl. VAT. We would ask that the final invoice be quoted in Euro's.

Billing details:

Nonwovenn
