

AMENDMENT NO.5 TO THE RESEARCH AND COLLABORATION AGREEMENT

This Amendment No 5 to the specific Research and Collaboration Agreement made as of January 1, 2024 (“RPA”) is made as of the day listed below (“Amendment”) by and between the “Parties”:

CZECH TECHNICAL UNIVERSITY IN PRAGUE, FACULTY OF MECHANICAL ENGINEERING, a technical university organized and existing under the laws of the Czech Republic seated at Technická 4, Praha 6 – Dejvice, 166 07, ID NR. 68407700 (“CVUT”)

and

GE AVIATION CZECH s.r.o., a limited liability company, organized and existing under the laws of the Czech Republic seated at Beranových 65 19900, 199 00 Praha 18, ID NR. 27928845 (“GEAC”). GEAC trades as Avio Aero, a GE Aerospace company.

RECITALS:

- A) The Parties has already amended RPA for year 2024 (“*Research collaboration 2024*”) due to the need to postpone the 2024 reconciliation date in view of the need to resolve some methodological issues regarding the valuation of Foreground technology and agreed to Reconcile Foreground Technology and all Contributions of year 2024 by 31.3.2026.
- B) The Parties has already amended RPA for year 2024 also due to the need to extend the cooperation under the Research Project Agreement to the year 2025 (“*Research collaboration 2024 and 2025*”). The Parties agreed to Reconcile the Foreground Technology purchased or licensed by GEAC under the Research Project Agreement for the year 2025 by 30.4.2026.
- C) As the Parties continue their efforts to resolve the methodological issues, they agreed on the need extend the deadline for Reconciliation of the Foreground Technology purchased or licensed by GEAC under the Research Project Agreement for the years 2024 and 2025 both by 30.6.2026.
- D) In view of the fact stated in the previous recital, it is in the interest of both Parties to amend the RPA.

ARTICLE 1 - SUBJECT MATTER OF THIS AMENDMENT

- 1.1 This Amendment amends the RPA.
- 1.2 Article 5.1. of the Research Project Agreement is updated as follows
“5.1. *The Parties shall Reconcile (i) the Foreground Technology purchased or licensed by GEAC under the Research Project Agreement for the year 2024 by 30.6.2026 and (ii) the Foreground Technology purchased or licensed by GEAC under the Research Project Agreement for the year 2025 by 30.6.2026.*”
- 1.3 Other provisions of the respected RPA and the Framework Agreement remain unchanged by this Amendment.

ARTICLE 2 - MISCELLANEOUS PROVISIONS

2.1 Counterparts. This Amendment may be executed on paper or electronically by a duly authorized representative of each Party.
