### 2(b) VARIATION

No variation of or additions to these conditions shall be effective unless in writing and signed (whether by hand or electronically) on behalf of the Company. Such written variation shall take precedence over any conflicting terms contained in these conditions.

## 3. PRICE

(a) The contract price of the Goods is based upon the cost to the Company at the date of its quotation of items, materials, labour, import duties and all other expenses and of conforming to any statutory regulation or requirements as may be in force and upon the exchange rates at the date of its quotation for items, materials and all other expenses paid for in foreign currency. - ii. Where the correct price is higher than the stated price the Company will contact the Purchaser and not accept the order without agreeing to it being placed at the higher amount; or
- iii. If the order is accepted where a pricing error ought reasonably to be obvious to the Purchaser, the Company may end the contract, refund the Purchaser any sums it has paid and require the return of any Goods provided.

(c) All sums payable by the Purchaser are exclusive of VAT, which the Purchaser shall additionally be liable to pay to the Company at the applicable rate.
