Terms and Conditions of Exhibition Space Contract

- Contract for Space:** The contract for space, the formal notification of the assignment of space and the full payment of fees constitutes together a contract between the exhibiting organisation, hereinafter known as Management, for the right to use space for WETEX. The contract is based upon the plan of exhibit rates shown thereon and the general information contained in the exposition prospectus and sales kit, all of which are to be considered along with details on all pages of this form as part of the contract. All measurements shown on the floor plan are approximate and Management reserves the right to make such modifications as deemed necessary, making equitable adjustment with any exhibitor or exhibitors thereby affected. Management also reserves the right to adjust the floor plan to meet the needs of the exposition.
 - Installation and dismantling of exhibits:** Delivery of freight, installation of exhibits and completion of work to put up exhibits will take place on the dates specified. The exhibits must be ready for inspection no later than 8am of the first day of the show. Should an exhibit not be set by 10am of the first day of the show, Management reserves the right to have the Official Exhibit Services Contractor install the exhibit or remove unopened freight at the expense of the exhibitor. Dismantling may not begin until the close of the exposition on the final day of the show. Goods and materials used in any display shall not be removed from the exhibit hall until the exposition has officially been closed. Any exception to this rule must have written approval of Management. Dismantling must be completed and all exhibit materials removed by the final move-out date and hour shown. (NOTE: Exhibitors are advised to remove small, portable items immediately upon conclusion of the exposition).
 - Storage boxes and packing crates:** Exhibitors will not be permitted to store boxes or packing crates in or behind exhibit booths. Prior to 8am of the first day of the show, all boxes and crates will be placed in storage, provided they are properly labelled for storage. Those that are not properly labelled will be removed and destroyed as refuse.
 - Floor plan:** The floor plan for this exhibit will be maintained as originally presented wherever possible. However, Management reserves the unqualified right to modify the plan to the extent necessary for the best interests of the exhibit, exhibitors and the industry.
 - Conditions governing applications for space:** Reservations must be made on the Space Application form, which must contain complete information. Management reserves the right to reject applications for space. It is the policy of DEWA to limit the use of exhibit spaces to companies whose products or services contribute to the purposes of WETEX. No cash sales will be permitted.
 - Payment schedule/cancellation or reduction of space:** The payment details are listed on the brochure. Cancellation of this contract or reduction of space must be in writing, and by mutual consent of the applicant and Management. Management may unilaterally cancel this contract for non-payment of any balance due by the specified date if cancellation or reduction of space is agreed. The applicant will be entitled to a refund based on the following schedule:
 - Cancellation or reduction of space penalty – Space cancelled or reduced on or before 15 August 2026 will be charged \$5,000 as administration charges on total registration fees. The full contract price is due, payable and non-refundable for any space cancelled or reduced after 15 August 2026.
 - All demonstrations must be within the confines of the exhibit space – Aisles must not be obstructed at any time by exhibiting personnel or attendees. Management reserves the right to unilaterally determine if a demonstration interferes with adjacent exhibit spaces and may if necessary order its discontinuation. Please refer to the exhibitor manual for specific booth dimension instructions.
 - Space assignment:** Space assignment will be indicated on the accepted contract. However, should conditions or situations warrant, Management has the unqualified right to reassign space in line with the best interests of the exposition. Exhibitors must rent sufficient space to contain their exhibits completely within the confines of booth lines. Heights and depths addressed in Section 11 must be observed. Exhibitors may take photos or videos of their display. However, they are not permitted to directly take pictures of any other display or instruct others to take such pictures without written permission from Management and the exhibitor whose display is being photographed. Exhibitors must respect the privacy of other exhibitors and not intrude or disrupt another exhibitor while they are conducting business on the show floor.
 - Sharing/subletting space:** No exhibitor shall assign, sublet or apportion the whole or any part of the space allotted, or have representatives, equipment or materials from other than their own company in the said space. Management policy prohibits the subcontracting of exhibit space. Should an exhibitor decide to cancel, the exhibit space reverts to Management. Notification to use an independent contractor to install/dismantle exhibits must be received 45 days prior to the first day of the show. If an exhibitor selects any contractor other than the official contractors assigned by DEWA, DEWA is not in a position to intercede in disputes on behalf of the exhibitor. Notification to use independent contractors must go to both the show's Management and the Official Exhibit Services Contractor.
 - Exhibitor personnel:** Each exhibitor will furnish Management in advance with the names of the people who will be stationed at the booth of the exhibitor. Personnel will be admitted to the show floor at 8am each day. In the event of earlier admission, special permission must be obtained from Management. Such badges will be supplied upon presentation of the list of personnel by the exhibitor. Each exhibitor will place on file in the Show Management Office the name of the representative (including their hotel or local phone number) who has primary responsibility on the floor for the exhibitor's display and who is authorised to make decisions for the exhibitor as requested by Management on site or in case of an emergency. Please note that supplying exhibitor personnel badges to current or prospective customers by exhibitors is strictly forbidden. If such use of exhibitor badges is made and this is recognised, individuals wearing the badges will be removed from the premises and the badges will be confiscated. Management will supply visitor passes which the exhibitor may distribute to the customer for purpose of attendee registration. The exhibitor personnel registration is to be used solely for employees or agents of the exhibitor.

Booths must be policed by each exhibitor so disruption or decibel levels from any demonstration or sound system or equipment producing sound are kept to a minimum and do not interfere with others.
