**Contractual terms**

All order content, except where mentioned otherwise, is automatically renewing subscriptions. The service is purchased and delivered for a three-year initial Minimum Subscription Term from the order date. The service renewal date is the first day of the month of the subscription anniversary. The first subscription term cost is prorated to the duration. Service renews automatically annually if not terminated with a written three-month advance notice which can not take effect before the end of the Minimum Subscription Term. The order requires full annual up-front payment for each year. This contract incorporates One Click LCA and SimaPro general service terms (<https://www.oneclicklca.com/service-terms/>) and applies the laws of Finland to the exclusion of other jurisdictions. Additional orders by the Customer apply these terms. Any and all general terms and conditions of the Customer are excluded. Customer agrees that any purchase order (PO) submitted is for administrative purposes only, and that any terms or conditions appearing on the PO that are additional or different from this Agreement are not binding to the Supplier or applicable on the Agreement, also when the services specified by the order are delivered and invoiced against such PO. One Click LCA Ltd may update its general terms from time to time.

**Kindly provide the users for your subscription. You are still allowed to add or change users moving forward.**
