Terms

- * All works are undertaken under Sports Labs Ltd. standard terms and conditions, these are available on request.
- * The fees stated are fully inclusive of all travel, subsistence and reporting costs unless otherwise stated.
- * To accept this quotation or proceed with your order please send a purchase order and your email or letter of acceptance to us.
- * Should for any reason beyond our control we are unable to gain access to the facility or the testing be cancelled once mobilised or travel expenditure made we reserve the right to charge a mobilisation fee over and above this quotation.
- * As part of a Field test and assessment we require to have access to the maintenance equipment used along with the field maintenance log. These must be on site for inspection.
- * An initial field test requires us to carry out product identification on the installed products, for us to carry this out we require the following:
1m x 1m of installed carpet and 1m of any stitched line within the field of play.
5Kg of installed rubber infill.
5Kg of installed sand infill. These should be available on site during our inspection and testing. These are NOT required for a field retest.
- * Please note there is a limited time of 4 WEEKS to upload the performance & identification data to Sporting Governing Bodies to certify the pitch, any delays out with the 4 week window may result in a re-visit to site to re-test at an additional cost.
- * Should we be provided with the incorrect carpet/infill samples, a fee will be charged to the client when new samples have been received to test within our Laboratory (please allow a further 2 weeks for samples to be processed in the Lab)
- * ALL BANK CHARGES WILL BE MET BY THE CLIENT
- * Payment must be made as per INVOICE terms.
