[Redacted]

IMPORTANT

[Redacted]

Contractual relationship between the parties shall be governed by the Czech law, specifically by the Act No. 89/2012 Coll., Civil Code; based on reciprocal consensus the contracting parties explicitly exclude application of the Vienna Convention to their contractual relationship. The Contracting parties undertake to settle any disputes arising from or in connection with the present order/contract through amicable negotiations. Any disputes that cannot be settled through amicable negotiations shall be finally settled in accordance with the Czech law by ordinary court of the supplier.

Yours Sincerely
