Backfile material means volume years or editions of the Licensed Materials for which ProQuest was granted rights during the term of this agreement.

V. OTHER MATTERS

A. Warranty and Indemnification. The Licensor represents and warrants that it has all the rights necessary to enter into and perform this agreement and that the exercise of the rights granted in Section I as contemplated hereunder will not 1) violate the copyright, trademark, trade secret or patent rights of any third party, or 2) violate the right of privacy, or publicity, or other right of any third party. The Licensor agrees to indemnify and hold ProQuest harmless against any loss, damage, claim, liability, settlement cost or expense (including attorneys' fees) incurred by ProQuest and arising out of or in connection with any breach or alleged breach of the Licensor's representations and warranties (an "indemnified claim").

B. Content Remediation. Licensor affirms that as of the date of signing it is not, to the best of its knowledge, aware of any claims that the Licensed Materials are considered obscene. If Licensor becomes aware of any claims that the Licensed Materials are considered obscene or libel any third party, it will promptly notify ProQuest so that ProQuest can remove any such Licensed Materials from its products and services.

C. Assignment. This agreement may not be assigned by either party without the prior written consent of the other, except to a purchaser or assignee of all or substantially all of the assets which are required for performance of this agreement. Notwithstanding the above, Licensor shall be responsible to its assignee or the purchaser of its rights in the Licensed Materials for any royalties remitted to Licensor until such time as Licensor has provided ProQuest with notification of assignment, sale, or other such transfer of rights.

D. Governance. This agreement, and the performance under it, shall be deemed made in and construed in accordance with the laws of the State of Michigan without application of its conflict of laws provisions.

E. Force Majeure. Neither the Licensor nor ProQuest shall be considered in default or liable under this agreement in cases of delays due to wars, civil riots, epidemics, acts of God, fires, strikes, government restriction or other circumstances beyond its control.

F. Confidentiality. The parties shall keep the specific terms of this agreement and the content of the business discussion between the parties confidential, including information which is or should be reasonably understood to be confidential or proprietary to the discloser of the information. Notwithstanding this provision, either party may disclose relevant portions of this Agreement

(1) to its parent or subsidiary companies; (2) for due diligence purposes related to a prospective sale or purchase of the party's business or assets; or (3) as otherwise required by a court or regulatory agency. This confidentiality provision shall survive the termination of this agreement. The Parties are aware of and agree with the publication of the Contract by Licensor in accordance with Act no. 340/2015 Sb., about special conditions regarding the effect of some Contracts, their publication, and the Contracts Register (Contracts Register Act), as amended (hereinafter the "Act on the Contracts Register"), immediately after signing the Contract. The Parties state that the Contract does not contain commercially confidential information or information whose publication would lead to unauthorized access to the rights and obligations of the Parties, their representatives or their employees, and the Parties agree with the publication of the Contract in its entirety. Nonetheless, prior to the Contract's publication FF UK is, if necessary, entitled to delete information which, according to the Act on the Contracts Register, should not or need not be published. In the case that the publication of the Contract would nevertheless lead to unauthorized access to the rights and obligations of the Parties, their representatives or their employees, each party is responsible solely for the harm caused to itself, its own representatives, or employees.

This document constitutes the entire understanding of both parties with respect to the Licensed Materials, except that it shall not affect previous permissions for individual components of the Licensed Materials nor shall it affect any backfile rights preserved under any current or prior agreements. Failure of either party to enforce any provision of this agreement shall not be construed as a waiver of such provision or of the right to enforce such provision. No waiver, amendment, or other modification shall be valid or binding unless in writing and signed by both parties.
