Popis požadované změny	<p>We would like to add a new activity "Exhibition in Norway" to the "Books discovered once again" project. In the new activity we would like to promote the outcome of the project in an exhibition in the premises of Stiftelsen Arkivet. The new exhibition will open up for a new audience to come and learn more about the project. The exhibition will be open for the general public, but it will also be the basis for special lectures aimed at students.</p> <p>Activity will be implemented from November 2016 till March 2017.</p> <p>Schedule:</p> <p>November 2016: start of the activity, assemble a project group – list of employees/experts attached.</p> <p>December 2016: research, clarify texts, bidding among suppliers.</p> <p>January 2017: complete physical exhibition, post the digital components in to the touch screen.</p> <p>February 2017: opening of the new exhibition.</p> <p>March 2017: report, end of the activity.</p>
Typ změny (podstatná/nepodstatná)	Podstatná
Zdůvodnění změny	<p>Stiftelsen Arkivet joined the EEA-partnership with the National Library of the Czech Republic in 2015 because we think it is important to learn more about censorship and confiscation of books. Every year, Stiftelsen has more than 8000 visitors, mainly pupils and students. It is important for us to teach them about the outcome of the project „Books discovered once again“ in order to secure the basis for lasting peace and democracy.</p> <p>Hence we need a new exhibition where the visitors can learn about the history in both the Czech Republic and in Norway. They will be able to see original books borrowed from the National Library of the Czech Republic and the Jewish museum in Prague together with Norwegian confiscated literature.</p>

Dopady změny na projekt a logický rámec (aktivity, harmonogram, indikátory, podrobný rozpočet¹ aj.)

- Thanks to the output of the new activity more people will learn about censorship and confiscation of books.
- The exhibition will inspire students to do research programs about the topics.
- More people will learn about the bilateral partnership between Norway and the Czech Republic.

Project activities: new activity „Exhibition in Norway“ will be added to the project.

- activity inputs: staff members, supplies
- budget headings: Publicity

New output “Exhibition in Norway” will be added to the project logical frame:

- indicator: Project publicity
- target value: 1
- verification: visit, monitoring report, website, photo

New activity will be implemented from 1st November 2016 – 31st March 2017. Project savings will be used to cover the costs of the new activity. The total initial allocation of the particular items listed in the budget attached has not been fully spent and the savings could be used for the new activity to be financed. That savings have been achieved thanks to cost-effectiveness. Moreover, we would like to reallocate the allocation of 2 items that were originally planned, but the implementation proved, such items will not be used. The allocation of such items shall be transferred to the new activity.

A new budget item “Exhibition in Norway” will be added to the project budget:

- budget heading: Publicity (Publicity outputs)
- unit: total costs
- nb. of units: 1
- unit costs: 1 062 722 CZK
- VAT: 0
- total eligible costs: 1 062 722 CZK

Budget reallocation: (see attached budget reallocation) - all the information available in the attached file.
