4. TECHNICAL DEMANDS

The Artist provides the Presenter a Technical rider for a successful performance of The Artist, which will be attached to this agreement.

The technical rider is a part of this agreement. By signing the agreement, the Presenter agrees to all the technical demands specified in the technical rider. If any of the technical requirements cannot be fulfilled or if any changes need to be done, the Presenter is obliged to inform the Artist about it before signing the agreement. The Artist is not responsible for possible additional costs that are incurred to the Presenter because of the performance.

5. ATTACHMENTS

Technical rider.

6. CANCELLATION

This agreement will be automatically suspended or cancelled, without damages of any kind, in all cases of force majeure (flood, earthquake, fire, lockouts, epidemic, failure or delay of scheduled transportation facilities, illnesses, deaths or any law, order, decree, rule or regulations of any governmental authority or any other reason

of similar nature which are beyond the Artist's control) acknowledged by statute or case law.

The lack or withdrawal of performing rights on the date of performance of this contract will entail its automatic cancellation due to the breach of the essential clause stipulated earlier in this contract.

In case of Presenter cancelling the performance, the Presenter is obliged to pay the Artist the performance fee stipulated in this agreement.

Any claim or dispute arising out of or related to this agreement shall be interpreted under and according to Finnish laws. Any dispute arising hereunder or relating to this agreement or its performance shall be subject to the Finnish Court of Helsinki, Finland.

7. SIGNATURES

This agreement, when signed by both parties, constitutes a commitment by both parties to the performance as outlined by this agreement, permitting the parties to publicly announce the performance and make third-party commitments as required.

This Performance agreement is made in two original signed copies on 22nd January 2018 in Trutnov / Helsinki.
