- Prices are charged without VAT for VAT registered companies abroad.
- If prices are stated in CZK and the exchange rate (CZK / USD or CZK / EUR) increases by more than 3% we reserve the right to modify prices according to the current exchange rate.
- An invoice with a total amount corresponding to this Quotation will be issued after final delivery of the goods stated in this Quotation and their acceptance by the customer. The Invoice is due in **14 days** from the date of issue.

Delivery and warranty terms

- Delivery terms: **8 -11 weeks** from the date of binding order.
- NUVIA a.s. covers the warranty of a purchased device for a period of **12 months** (providing the device is used in accordance with user and maintenance directions). Warranty for service and spare parts is provided for a period of **6 months**. The warranty starts on the date of final acceptance by the customers as stated on the delivery note.
- The export of our products may be limited or subject to approval due to law or contract. We therefore keep the right to make any shipment subject to the supply of an end user certificate.
- Warranty and after-warranty service is provided by NUVIA a.s. at its service centre or in cooperation with the service laboratory of the manufacturer.
- NUVIA a.s. is able to integrate the equipment into existing measuring systems and provide advisory and consultancy services.

Technical specification

- The enclosed technical specification is integral part of the offer.
- All descriptions and data given in datasheets, leaflets and technical specifications or other informative material are generally guide values which may be subject to deviations and alterations.
