Dear [REDACTED],

I would like to inform you that on [REDACTED] the Slip and Reinsurance Agreement were published in the Contract Registry. It means that on [REDACTED] the Reinsurance Agreement became effective. Please, approach underwriters to amend the Slip / R/I agreement by endorsement.

In order to be clear with respect to the changes I would like to sum up where the changes have to be made:

Article 5 – Period - has to be changed (this Agreement shall enter into effect on the date of its publication in the contract registry and.....), Inception date has to start on the date of publication of the Reinsurance Agreement in the Contract Registry. The same is true for the Period stated in the Slip where the period has to start again on the date of publication of the Reinsurance Agreement in the Contract Registry.

Please send us the proposal of the endorsement before you approach the underwriters for the final checking.

With best regards,

[REDACTED]
