Subject: AMIRES offer for ELI Teaming 2 proposal preparation

Dear Rachael,

thanks once again for your interest in our services. Following our phone call regarding ELI Teaming 2 proposal preparation, we have had an internal discussion on what to propose as our services. We think our Expert package extended by an initial discussion on the overall project concept would be the best choice. Please see below our offer. In case of any questions, please do not hesitate to come back to me.

Thanks in advance & kind regards,
Lenka

Expert Package covering:

- Initial discussion on the overall project concept
- Three round of comments
 - Idea, concept, alignment with the call
 - Proposal structure, Implementation part
 - Impact, budget, the overall proposal, tips for proposal submission
- Timing (open for discussion based on the needs of the client)
 - Initial discussion – immediately
 - First round of comments – 1,5 months before the deadline
 - Second round of comments – 1 month before the deadline
 - Third round of comments – 2 weeks before the deadline
- Form
 - Initial personal meeting
 - Three round of comments through email communication

Our price proposition would be 5.000 € (without VAT).
