At this time, we are approaching the proces of Micromedex renewal. Could you please send me any confirmatory document (for exemple an exclusivity letter, licence or contract) that the renewals are handled and invoiced directly by ITSN, the regional distributor of Micromedex/IBM?

Dear Ms. [REDACTED],

Thank you for your reply.

As you may know, Micromedex is bought by IBM recently and along with this change, there has been restructuring in the business model and now renewals are handled and invoiced directly by ITSN, the regional distributor of Micromedex/IBM. (Hence i have copied Mr. Van De Merwe, IBM Watson Health - Regional Business Manager to this email)

For your kind information, we, as ITSN, have signed a recent contract with CzechELib - National Centre for Electronic Information Resources comprising of 4 governmental institutes/universities.

We are proud to also inform you that Micromedex platform will soon incorporate features involving artificial intelligence to the benefit of your esteemed institution. Looking forward to hearing from you with regards to your upcoming renewal due on 28th Sept 2018;
