Emne: request for confirmation the ideLab workshop costs

Dear Aleksandra,

I kindly ask you to confirm the document which is attached, via this email, if possible. It's the TA ČR management approval of the total costs to be incurred on the ideLab workshop. For all obligations under the czech law to be met, we need your confirmation as well (the calculation of the costs in the document below).

Thank you very much and have a nice weekend.

Martina
