

Dated _____ *2018*

(1) INSTITUTE OF PHYSICS of the CZECH ACADEMY of SCIENCES

(2) HITACHI EUROPE LIMITED

THIS AGREEMENT dated [.....] 2018 is made **BETWEEN:**

(1) **FYZIKÁLNÍ ÚSTAV AV ČR, v. v. i.** , referred to as **INSTITUTE OF PHYSICS of the CZECH ACADEMY of SCIENCES**, a public research institution registered in the Czech Republic under number 68378271, whose registered seat is at Na Slovance 1999/2; 182 21 Prague 8 (**the Institution**);

and

(2) **HITACHI EUROPE LIMITED**, a company registered in England and Wales under number 02210686, whose registered office is at Whitebrook Park, Lower Cookham Road, Maidenhead, Berkshire, SL6 8YA (**the Company**),

each a "**Party**" and together the "**Parties**".

BACKGROUND

- (A) Each Party have particular skills and resources in respect of research and development.;
- (B) Each Party wishes to utilise those skills and resources in co-operating with the other Party in respect of the Project (as defined below); and
- (C) The Parties have agreed to co-operate in respect of the Project (as defined below) in accordance with the terms of this Agreement.

1. DEFINITIONS

1.1. In this Agreement the following expressions have the meaning set opposite:

Academic and Research Purposes:	research, teaching and education;
this Agreement:	this document and this document's Schedules, each as amended from time to time in accordance with clause 9.8;
Background:	information, data, techniques, Know-how, inventions, software, discoveries and materials (regardless of the form or medium in which they are disclosed or stored) which are provided by one Party (whether belonging to that Party or to a third party) to the other Party for use in the Project, and whether before or after the date of this Agreement, except any Result;
a Business Day:	Monday to Friday (inclusive) except bank or public holidays in England;
the Company's Supervisor:	 ;

Confidential Information:	a Party's confidential information is: any Background disclosed by that Party to the other Party for use in the Project; any of the Results in which that Party owns the Intellectual Property Rights; and any other information disclosed by that Party to the other Party for use in the Project or under this Agreement which, by its nature or from the circumstances of its disclosure, should reasonably be presumed to be confidential;
Control:	the ability to direct the affairs of another person, whether by virtue of the ownership of shares, by contract, or in any other way;
the Financial Contribution:	the financial contribution to be provided by the Company set out in clause 3.1;;
a Group Company:	any undertaking which for the time being Controls, or is Controlled by, the Company or which for the time being is Controlled by a third person which also Controls the Company;
Intellectual Property Rights:	patents, rights to inventions, trade marks, service marks, registered designs, copyrights and related rights, database rights, design rights, rights to use and protect confidential information, in each case whether registered or unregistered, including rights to apply for and be granted and applications for any of the above and any continuations, continuations-in-part, divisional applications, renewals or extensions of, and rights to claim priority from, those rights, and any similar right recognised from time to time in any jurisdiction, together with all rights of action in relation to the infringement of any of the above;
Know-how:	unpatented technical information (including information relating to inventions, discoveries, concepts, methodologies, models, research, development and testing procedures, the results of experiments, tests and trials, manufacturing processes, techniques and specifications, quality control data, analyses, reports and submissions) which is not in the public domain;
the Lead Academic:	
the Project:	Antiferromagnetic spintronics, aiming at the development of novel concepts for information technologies. The project includes the following work packages:

- Exploration of physical, material, and device aspects that govern the write/read speed and efficiency, and the retention characteristics of antiferromagnetic multi-level memory cells with 90°, 180° (or other angle) domain switching.
- Development of a toolbox of techniques for imaging antiferromagnetic domain structures and dynamics with high spatial and temporal resolution.
- Development of antiferromagnetic computer memory concepts allowing for the extension from the GHz to the THz range.
- Development of THz emitter, transmitter, and detector concepts based on antiferromagnets.
- Development of antiferromagnetic computer memory concepts allowing for the extension from the digital to the analogue, i.e., neuromorphic mode
- Exploration of new antiferromagnetic material candidates beyond the presently utilized CuMnAs and Mn₂Au.
- Exploration of linear and higher-order spin-transport phenomena for writing and reading based on fundamental symmetry and topology considerations and on detailed understanding of their microscopic mechanisms.

the Project Period:

the period described in clause 8.1;

the Results:

all information, data techniques, Know-how, results, inventions, software, discoveries and materials (regardless of the form or medium in which they are disclosed or stored) identified or first reduced to practice or writing or developed in the course of the Project;

VAT:

value added tax chargeable under the Value Added Tax Act 1994, or any tax replacing that tax.

- 1.2. The headings in this Agreement are for ease of reference only; they do not affect its construction or interpretation.
- 1.3. References in this Agreement to a person include a natural person, corporate or unincorporated body (whether or not it has a separate legal personality).

- 1.4. A reference in this Agreement to a statute or statutory provision is a reference to it as amended, extended or re-enacted from time to time and includes all subordinate legislation made from time to time under that statute or statutory provision.
- 1.5. A reference in this Agreement to writing or written includes email.
- 1.6. A reference in this Agreement to any other agreement or document is a reference to that other agreement or document as varied or novated (in each case, unless in breach of this Agreement) from time to time.
- 1.7. References in this Agreement to clauses and Schedules are to the clauses and Schedules of this Agreement and references to paragraphs are to paragraphs of the relevant Schedule.
- 1.8. Any words in this Agreement following the expression including, include or in particular or any similar expression are to be construed as illustrative and do not limit the sense of the words preceding that expression.

2. THE PROJECT

- 2.1. The Project will begin upon execution of this Agreement (the "**Commencement Date**").
- 2.2. Each party will provide such human and other resources, Background, materials, facilities and equipment as may be agreed between them in good faith as being reasonably necessary in seeking to achieve a successful outcome from the Project and fulfil its obligations pursuant to this Agreement. The Institution's resources will be provided primarily by the Department of Spintronics and Nanoelectronics. The Company's resources will be provided primarily by the Spintronics Group of the Hitachi Cambridge Laboratory.
- 2.3. The Project will be carried out under the direction and supervision of the Company's Supervisor and the Lead Academic.
- 2.4. Each of the Parties will obtain and maintain all regulatory and ethical licences, consents and approvals necessary to allow it to discharge its obligations pursuant to this Agreement and will carry out the Project in accordance with all laws and regulations which apply to its activities under or pursuant to this Agreement.
- 2.5. Each of the Parties will ensure that its other employees and students (if any) involved in the Project: observe the conditions attaching to any regulatory and ethical licences, consents and approvals; keep complete and accurate records of all research, development and other work carried out in connection with the Project and of all Results.
- 2.6. Each of the Parties will ensure that its staff and students (if any) (including in the case of the Company, any staff of any Group Company) involved in the Project, when working on or visiting the other Party's premises, comply with the other Party's health and safety and security policies and procedures and, when accessing or using the other Party's information systems, comply with the other Party's information security policies and procedures.
- 2.7. The Parties will review an annual progress report prepared jointly by both Parties including a list of joint publications and patents related to the Project.
- 2.8. The Parties will notify each other promptly after identifying any Result which the notifying Party believes is patentable.

- 2.9. Each of the Parties warrants to the other that it has full power and authority under its constitution, and has taken all necessary actions and obtained all authorisations, licences, consents and approvals, to allow it to enter into and perform this Agreement.

3. FINANCIAL CONTRIBUTION AND EXTERNAL FUNDING

- 3.1. The Company will pay the Financial Contribution of £50,000 per annum to the Institution starting on the Commencement Date and thereafter on 1 March of each year of the term.
- 3.2. Unless any VAT exemption applies, all amounts payable to the Institution under this Agreement are exclusive of VAT which the Company will pay at the rate from time to time prescribed by law.

4. USE AND EXPLOITATION OF INTELLECTUAL PROPERTY RIGHTS

- 4.1. This Agreement does not affect the ownership of any Intellectual Property Rights in any Background or in any other technology, design, work, invention, software, data, technique, Know-how, or materials which are not Results. The Intellectual Property Rights in them will remain the property of the Party which contributed them to the Project (or its licensors). No licence to use any Intellectual Property Rights is granted or implied by this Agreement except the rights expressly set out in this Agreement.
- 4.2. This Agreement is not intended to be exclusive and nothing in this Agreement shall prevent a Party from carrying out research and development in the same field as that of the Project but without collaborating with the other Party. Without prejudice to clause 4.1, any Intellectual Property Rights created by a Party (the "IPR Creator") without contribution by the other Party ("Excluded IPRs") shall be solely owned by the IPR Creator.
- 4.3. Each Party grants the other a royalty-free, fully paid-up, non-exclusive licence to use its Background and/or Excluded IPRs for the purpose of carrying out the Project. Neither Party may grant any sub-licence to use the other's Background and/or Excluded IPR except that the Company may allow any Group Company to use the Institution's Background and/or Excluded IPRs for the purpose of carrying out the Project.
- 4.4. The Parties shall jointly own the Intellectual Property Rights in Results in accordance with the inventive contribution made by each Party to such Results.
- 4.5. The Parties shall use their reasonable endeavours to seek to promptly and in good faith agree terms in respect of the management and protection of any jointly owned Intellectual Property Rights in Results, including without limitation the division of responsibilities and costs in respect of the registration (and maintenance of such registration), and enforcement in relation to actual or alleged infringement in respect of the relevant Intellectual Property Rights. Each party will ensure that its employees and students (if any) involved in the creation of the Results, where relevant, give the other Party such assistance as that other Party may reasonably request in connection with the registration of the Intellectual Property Rights in any of the Results, including filing and prosecuting patent applications for any of the Results, and taking any action in respect of any alleged or actual infringement of any Intellectual Property Rights in any of the Results.

- 4.6. The Institution will ensure that its relevant employees assign (including making a prospective assignment where appropriate) all rights which he or she may have in the Results in order to be able to give effect to the provisions of this clause 4. Where any other third party such as a student or contractor is involved in the Project, the Party engaging the third party will ensure that the third party has assigned to it (including making a prospective assignment where appropriate) all rights which the third party may have in the Results in order to be able to give effect to the provisions of this clause 4.
- 4.7. Each Party (the "Grantor") grants the other Party (the "Grantee") a royalty-free, non-exclusive licence to use that part of the Results that the Grantee does not own for the purpose of carrying out the Project, but (except as permitted by clause 4.8) neither Party may grant any sub-licence in respect of the same.
- 4.8. Subject to the prior written consent of the Grantor in each case, the Grantee and each of its employees and students (as applicable) will have the royalty-free right to use that part of the Results that the Grantee does not own for Academic and Research Purposes.
- 4.9. If the examination or deposit of a thesis of any student of the Grantee would disclose any Result or any of the Grantor's Background which is Confidential Information, such disclosure shall be subject to the Grantor's prior written consent.
- 4.10. Subject to applicable laws, statutes and regulations relating to the Institution, in particular by the Article 107 of The Treaty on European Union - OJ C 202 (2016) and by the Act No. 130/2002 Coll. on the Support of Research and Development from Public Funds and by the Act. No. 341/2005 Coll. on public research institution and the prior written consent of the Institution (which will not be unreasonably denied), the Company's right to transfer ownership of its share in Intellectual Property Rights in Results, shall be unrestricted, including the transfer of ownership of such Intellectual Property Rights to its ultimate parent company Hitachi, Ltd and Hitachi, Ltd or any other entity in which Hitachi, Ltd. directly or indirectly owns a number of voting shares that exceed fifty (50) percent of the entity's total issued voting shares; therefore transfer of ownership of The Company's shares in Intellectual Property Rights in Results is subject to.
- 4.11. The commercial use/exploitation of the joint owned Results shall be subject to applicable law.
- 4.12. The commercial use/exploitation of the Results owned by one of the Parties shall be subject to a separate agreement which shall be subject to applicable law.

5. CONFIDENTIALITY

- 5.1. Subject to clause 4, neither Party will either during the Project Period or for 10 years after the end of the Project Period, disclose to any third party, nor use for any purpose except as expressly permitted by this Agreement, any of the other Party's Confidential Information.
- 5.2. Neither Party (the Recipient) will be in breach of any obligation to keep any of the other Party's Confidential Information confidential or not to disclose it to any third party to the extent that:
 - 5.2.1. if it is received from the other Party, it is known to the Recipient or any Group Company (demonstrable by written records) before its receipt

from the other Party, and not already subject to any obligation of confidentiality to the other Party;

- 5.2.2. it is or becomes publicly known without any breach of this Agreement or any other undertaking to keep it confidential;
 - 5.2.3. it has been obtained by the Recipient or any Group Company from a third party in circumstances where the Recipient has no reason to believe that there has been a breach of an obligation of confidentiality owed to the other Party;
 - 5.2.4. has been developed by the Recipient or any Group Company without reference to the other Party's Confidential Information;
 - 5.2.5. it is disclosed pursuant to the requirement of any law or regulation (provided, in the case of a disclosure under the Freedom of Information Act 2000 or the Environmental Information Regulations 2004, none of the exceptions to that Act or those Regulations (as the case may be) applies to the information disclosed) or pursuant to the order of any Court of competent jurisdiction or the requirement of any competent regulatory authority, and that, in each case where the law permits, the Party required to make that disclosure has informed the other Party, within a reasonable time after being required to make the disclosure, of the requirement and the information required to be disclosed; or
 - 5.2.6. is approved for release in writing by an authorised representative of the other Party.
- 5.3. The Company will not be in breach of any obligation to keep any of the Institution's Confidential Information confidential or not to disclose it to any third party, by making it available to any Group Company, or any person working for or on behalf of the Company or a Group Company, who needs to know the same in order to exercise the rights granted in this Agreement, provided it is not used except as expressly permitted by this Agreement and the Group Company, or any person working for or on behalf of the Company or the Group Company undertakes to keep that information confidential.
- 5.4. Neither Party will use the other Party's name or the name of any of the other Party's employees or students provided by the other Party or the other Party's logo in any press release or product advertising, or for any other promotional purpose, without first obtaining the other Party's written consent

6. LIMITATION OF LIABILITY

- 6.1. Each of the Parties warrants to the other that, to the best of its knowledge and belief (having made reasonable enquiry of those of its employees involved in the Project or likely to have relevant knowledge, and in the case of the Institution any student involved in the Project, but not having made any search of any public register) any advice or information given by it or any of its employees or students who work on the Project, or the content or use of any Results, Background or materials, works or information provided in connection with the Project, will not constitute or result in any infringement of third party rights.

- 6.2. Each Party (the "**Indemnifying Party**") shall indemnify the other Party (the "**Indemnified Party**") from and against any losses, damages, liability, costs and expenses (including reasonable professional fees) incurred by the Indemnified Party as a result of any action, demand or claim arising out of or in connection with the wilful or negligent provision by the Indemnifying Party of any Results, Background or materials, works or information that infringe the rights of any third party ("**IPR Claim**").
- 6.3. In the event of an IPR Claim the Indemnified Party shall:
 - 6.3.1. notify Indemnifying Party in writing setting out full details of the relevant IPR Claim as soon as is reasonably possible;
 - 6.3.2. not make any admission of liability or agree any settlement or compromise of the relevant IPR Claim without the prior written consent of the Indemnifying Party;
 - 6.3.3. let the Indemnifying Party at its request and own expense have the conduct of or settle all negotiations and litigation arising from the IPR Claim at its sole discretion;
 - 6.3.4. take all reasonable steps to minimise the losses that may be incurred by it or by any third party as a result of the IPR Claim;
 - 6.3.5. at the Indemnifying Party's request, provide the Indemnifying Party with all reasonable assistance in relation to the IPR Claim including the provision of prompt access to any relevant premises, employees, students, contractors or agents of the Indemnified Party.
- 6.4. Subject to clause 6.6, the liability of either Party to the other for any breach of this Agreement, any negligence or arising in any other way out of the subject matter of this Agreement, the Project and the Results, will not extend to:
 - 6.4.1. any indirect damages or losses; or
 - 6.4.2. any loss of profits, loss of revenue, loss of data, loss of contracts or opportunity, whether direct or indirect,Even, in each case, if the Party bringing the claim has advised the other of the possibility of those losses, or if they were within the other Party's contemplation.
- 6.5. Subject to clause 6.6, the aggregate liability of each Party to the other for all and any breaches of this Agreement, any negligence or arising in any other way out of the subject matter of this Agreement, the Project and the Results, will not exceed in total the Financial Contribution.
- 6.6. Nothing in this Agreement limits or excludes either Party's liability:
 - 6.6.1. for death or personal injury caused by negligence;
 - 6.6.2. any fraud or for any sort of liability which, by law, cannot be limited or excluded;
 - 6.6.3. any loss or damage caused by a deliberate breach of this Agreement;
 - 6.6.4. in respect of a breach of the warranty at clause 6.1.
- 6.7. The express undertakings and warranties given by the Parties in this Agreement are in lieu of all other warranties, conditions, terms, undertakings and obligations, whether express or implied by statute, common law, custom, trade usage, course

of dealing or in any other way. All of these are excluded to the fullest extent permitted by law.

- 6.8. In respect of any assignment of Intellectual Property Rights made under or pursuant to this Agreement, the assignor warrants to the assignee that:
 - 6.8.1. the assignor has the right to dispose of the Intellectual Property assigned and that it will, at its own cost, do all that it reasonably can to give the title that it purports to give; and
 - 6.8.2. the Intellectual Property Rights assigned are free from all charges and encumbrances and rights of any third party (except those of which the assignor is unaware or of which it could not reasonably be aware).

7. FORCE MAJEURE

- 7.1. If the performance by a Party of any of its obligations under this Agreement is delayed or prevented by circumstances beyond its reasonable control, that Party will not be in breach of this Agreement because of that delay in performance. However, if the delay in performance lasts for more than 3 months, the other Party may terminate this Agreement with immediate effect by giving written notice to the Party whose performance is delayed or prevented.

8. TERMINATION

- 8.1. This Agreement will have effect from the Commencement Date and shall expire three (3) years from that date (the "**Initial Term**"), however it shall automatically renew for a successive term of one (1) year (the "**Renewal Term**") following the expiration of the Initial Term and each relevant Renewal Term thereafter, unless either Party gives notice to the other Party prior to the expiration of the Initial Term or the relevant Renewal Term that it does not wish to renew this Agreement; the Parties expressly agree that the Agreement as a whole will be published in accordance with Act No. 340/2015 Coll. on special conditions for the effectiveness of some contracts, publication of these contracts and Contract Register, this Agreement becomes effective as of the day of its publication in the Contract Register.
- 8.2. Either Party may terminate this Agreement with immediate effect by giving notice to the other Party if the other Party:
 - 8.2.1. is in breach of any material provision of this Agreement and (if it is capable of remedy) the breach has not been remedied within 30 days after receipt of written notice specifying the breach and requiring its remedy; or
 - 8.2.2. becomes insolvent, or if an order is made or a resolution is passed for its winding up (except voluntarily for the purpose of solvent amalgamation or reconstruction), or if an administrator, administrative receiver or receiver is appointed over the whole or any part of the other Party's assets, or if the other Party makes any arrangement with its creditors.
- 8.3. If the whole or any part of any provision of this Agreement would put either Party in breach of applicable law, the relevant Party shall promptly notify the other Party and the relevant provision (and any corresponding provision applicable to the

other Party) shall be suspended. The Parties shall thereafter promptly meet in order to seek to agree such minimal changes as are required to this Agreement such that the relevant Party would no longer be in breach of applicable law. If the Parties are unable to agree such changes within 30 days of the initial notification, this Agreement shall be terminated.

- 8.4. Termination of this Agreement shall not affect the obligations of the Parties, which shall arise after termination hereof as a consequence of actions undertaken prior to termination, shall remain unaffected, unless agreed between the Parties separately.
- 8.5. If the Company has paid any of the Financial Contribution in advance and the whole of that contribution has not, by the end of the Project Period or the termination of this Agreement, been used demonstrably by the Institution for the purposes for which that Financial Contribution was provided, the Institution will return to the Company the unused portion of that contribution.

9. GENERAL

- 9.1. Notices: Any notice to be given under this Agreement must be in writing, must be delivered to the other Party by any of the methods set out in the left hand column below, and will be deemed to be received on the corresponding day set out in the right hand column:

Method of service	Deemed day of receipt
By hand or courier	the day of delivery
By pre-paid first class post	the second Business Day after posting
By recorded delivery post	the next Business Day after posting

The Parties' respective representatives for the receipt of notices are, until changed by notice given in accordance with this clause, as follows:

For the Institution:

Name: [REDACTED]

Address: Institute Of Physics Of The
Czech Academy Of Sciences Na Slovance
1999/2; 182 21 Prague 8

For the Company:

Name: [REDACTED]

Address: Hitachi Cambridge
Laboratory
J J Thompson Avenue
Cambridge CB3 0HE

With a copy by email to:
legal.services@hitachi-eu.com

- 9.2. Assignment: Neither Party may assign or transfer this Agreement as a whole, or any of its rights or obligations under it, without first obtaining the written consent of the other Party (not to be unreasonably withheld or delayed),.
- 9.3. Illegal/unenforceable provisions: If the whole or any part of any provision of this Agreement is void or unenforceable in any jurisdiction, the other provisions of this

Agreement, and the rest of the void or unenforceable provision, will continue in force in that jurisdiction, and the validity and enforceability of that provision in any other jurisdiction will not be affected.

- 9.4. Waiver of rights: If a Party fails to enforce, or delays in enforcing, an obligation of the other Party, or fails to exercise, or delays in exercising, a right under this Agreement, that failure or delay will not affect its right to enforce that obligation or constitute a waiver of that right. Any waiver of any provision of this Agreement will not, unless expressly stated to the contrary, constitute a waiver of that provision on a future occasion.
- 9.5. No agency: Nothing in this Agreement creates, implies or evidences any partnership or joint venture between the Parties, or the relationship between them of principal and agent. Neither Party has any authority to make any representation or commitment, or to incur any liability, on behalf of the other.
- 9.6. Entire agreement: This Agreement constitutes the entire agreement between the Parties relating to its subject matter. Each Party acknowledges that it has not entered into this Agreement on the basis of any warranty, representation, statement, agreement or undertaking except those expressly set out in this Agreement. Each Party waives any claim for breach of this Agreement, or any right to rescind this Agreement in respect of, any representation which is not an express provision of this Agreement. However, this clause does not exclude any liability which a Party may have to the other (or any right which a Party may have to rescind this Agreement) in respect of any fraudulent misrepresentation or fraudulent concealment before the signing of this Agreement.
- 9.7. Formalities: Each Party will take any action and execute any document reasonably required by the other Party to give effect to any of its rights under this Agreement, or to enable their registration in any relevant territory provided the Party making the request pays the other Party's reasonable expenses.
- 9.8. Amendments: No variation or amendment of this Agreement will be effective unless it is made in writing and signed by each Party's representative.
- 9.9. Third parties: No one except a Party has any right to prevent the amendment of this Agreement or its termination, and no one except a Party may enforce any benefit conferred by this Agreement, unless this Agreement expressly provides otherwise.
- 9.10. Governing law: This Agreement and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation are governed by, and this Agreement is to be construed in accordance with, English law. The English Courts will have exclusive jurisdiction to deal with any dispute (including any non-contractual claim or dispute) which has arisen or may arise out of or in connection with this Agreement, except that a Party may bring proceedings to protect its Intellectual Property Rights or Confidential Information in any jurisdiction.
- 9.11. Compliance: Neither Party shall, directly or indirectly, export, re-export or transship information, data, products, technology or software disclosed pursuant to this Agreement in violation of any applicable export control laws and regulations promulgated and administered by the government of any country having jurisdiction over the parties or the transaction(s) contemplated herein, or in violation of any applicable US export control regulations. Each Party agrees to comply with all applicable laws, statutes and regulations relating to state/public aid including an indirect aid in particular Treaty on European union - OJ C 202

(2016), to anti-bribery and anti-corruption (including, for the avoidance of doubt, the Bribery Act 2010) ("Anti-Bribery Legislation"). Each Party confirms to the other that it will comply with the Modern Slavery Act 2015 (the "Act") and that neither it nor any of its officers, employees, agents or subcontractors has committed an offence under the Act (a "MSA Offence") or is aware of any circumstances within its supply chain that could give rise to an investigation relating to an alleged MSA Offence or prosecution under the Act. Any breach of this clause 9.11 by a Party shall the other Party to terminate this Agreement immediately upon notice.

9.12. Counterparts: This Agreement may be executed in any number of counterparts. Once it has been executed and each Party has executed at least one counterpart, each counterpart will constitute a duplicate original copy of this Agreement. All the counterparts together will constitute a single agreement. The transmission of an executed counterpart of this Agreement (but not just a signature page) by e-mail (such as in PDF or JPEG) will take effect as the delivery of an executed original counterpart of this Agreement. If that method of delivery is used, each Party will provide the other Party with the original of the executed counterpart as soon as possible.
