Dear Ms. Secretary General,

This letter is to confirm that the Czech Floorball (CF), has been granted the rights to organise the Men's World Floorball Championships 2018 in the Czech Republic by the Central Board of the International Floorball Federation (IFF).

The Czech Floorball has during the year proven to be a very trustworthy partner of IFF, having organising a number of IFF World Championships and other Events.

We are fully convinced that the Czech Floorball is fully capable to organise the Men's World Floorball Championships 2018.

If you have any need for further information, please do not hesitate to contact me.
